CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

North Gauhati College, being affiliated to Gauhati University, follows the curriculum provided by the University. For ensuring effective delivery and transaction of the curriculum, lecture method, question answer method and seminar method are generally used to discuss the theoretical portion of each subject. Departmental laboratories are used to explain the practical portion of the syllabus. Moreover, assignments and field studies are also provided to the students to enrich their practical knowledge. Curriculum implementation can be rendered wholly effective only with technological support, for which two classrooms are equipped with LCD projectors and sound system. All the departments prepare their own time table following the main college time table to cover the syllabus and for smooth academic functioning. Co-curricular activities are also given equal importance for the wholesome development of students. Games and sports activities, literary activities, cultural activities are often organized and observed. Students are also encouraged to participate in NCC, NSS programs to develop their leadership qualities. Plantation and cleaning programs are also observed in a planned way which also helps them to inculcate environmental awareness. Vocational educational programs like certificate courses for basic computer, technician courses etc. are also given importance so as to enable themselves to be self employed. It is said that education is incomplete without community participation. Therefore various types of awareness programs are organized among the masses to provide some basic knowledge like personal health and hygiene, girl education, etc. The faculties also maintain teaching diaries for effective academic planning, implementation and review of the curriculum. The faculties of the college are encouraged to participate in faculty development programs for enhancing the teaching-learning process, keeping abreast of the latest academic trends and doing justice to the curriculum. Contractual and guest lecturers are appointed for the timely completion of the syllabus. The library is situated near the administrative block. It has facilities for downloading of e-resources. Department has their own collection of books organized as mini libraries. Laboratories are periodically upgraded. Slow and advanced learners are identified by the departments. After identifying the slow and advanced learners, departments take measurable steps to meet their needs. Mentoring system is also available in the college. Continuous assessment of students through class tests, mid-term tests and surprise tests are done by the departments. Extension activities are regularly organised for upliftment of the students. Parent-teacher meetings are organized at the departmental level to facilitate feedbacks and suggestions. The Research Committee of the college encourages to do research and publish paper in UGC CARE listed journals. The Career Guidance cell regularly takes initiatives for the personality development of the students. Some differently abled students are given financial support to continue their studies by the college. Last but not the least, faculties have started taking the help of social media platforms where groups are made and different course related materials and articles are shared, thereby maximizing the ways in which academic materials are dispersed to the students. This also ensures effective time management of both the teachers as well as students.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

North Gauhati College follows the academic calendar of Gauhati University, which is the college's affiliating university. Final Exams for all the semesters are conducted in accordance with the routine issued by the affiliating university. The Sessional Examinations of all the Major Courses are

conducted by the respective departments, and that of all the Pass Courses, compulsory and elective subjects like General English are conducted by the Examination Cell of the college. The blueprints for the Sessional Examinations are designed and implemented by the Heads of the various departments, in consultation with the other faculties of the college. In order to induce sustained development of the students, the college follows methods for continuous evaluation. The departments are at liberty to devise and maintain their own strategies for the continuous evaluation of their students. In order to be eligible for appearing in the Sessional Examinations of a given subject/paper, it is mandatory for students have attended a minimum of 75 percent of the total classes held in that particular subject/paper during the semester. Group projects and Viva-voce are also held from time to time in order to keep students within the radar of CIE.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Academic Calendar of the college for an academic session is prepared by the IQAC with the help of different committees, taking into consideration the Academic Calendar of Gauhati University, the affiliating university. For the Academic Session of 2018-2019, the departments have been authorised to conduct the Internal Examinations of Major Courses while the Examination Cell conducts the Sessional Examinations for Pass Course and Compulsory Courses. The Final Examinations are conducted by Examination Cell of the college while upholding the rules and regulations of the affiliating university. The Academic Calendar is uploaded on the college website. Notifications regarding Examinations and other such important matters are not only conveyed through the college website, but also through the faculties of the college who are in touch with the students of their respective departments. The Academic Calendar is also adhered to while conducting events like Freshers' Social, Annual College Week, Elections of the Students' Union Body, departmental study tours/field trips, etc. The college abides by the Academic Calendar strictly, except under unavoidable and/or unprecedented circumstances.

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

North Gauhati college is an ideal institution in which the Governing Body plays a vital role with all powers and authority. However, the Governing Body does not function in isolation. In the decision-making process, it involves representatives of teaching and non-teaching staff of the college who are members of the Governing body. While formulating major policies, their opinions are given due consideration and importance. When it comes to implementation of the policies of the Governing Body, the Principal ensures execution thereof through delegation to various committees and subcommittees involving faculty members, non-teaching staff and student representatives depending upon the functional areas. There are different committees to investigate various parameters of the college administration. All the staff members are involved in various administrative roles. Committees of the college have been given free hand to formulate their plans and decide execution strategies. Academic Committee comprise of Heads of all the departments where all the academic and examination related affairs are placed and discussed in every academic session. The resolutions adopted in the meeting are implemented in the college. Examination Committee, Prospectus Committee, Library Committee, Quotation Evaluation Committee, Construction Committee, Purchase Committee, Hostel

Committee, etc. are involved in disseminating various activities in the College.

6.1.2 – Does the institution have a Management Information System (MIS)?

Partial

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	Curriculum is prepared and designed by Gauhati University. Some of the teachers of the college are the members of the curriculum preparation Board of studies of the University. College being affiliated to Gauhati University follows the curriculum provided by the university. The institution follows diverse steps to ensure effective delivery and transaction of the curriculum. The Academic calendar chalks out the curriculum and extracurricular activities of the college. Conventional mode of lecture is supplemented by seminars, special lectures, group discussions, field studies/visits, educational tours, project works, surveys etc to ensure a practical approach to the curriculum.
Teaching and Learning	The foundation of any educational institution is based upon the teaching learning process. The Academic calendar includes the annual activities to be undertaken. Each Department compiles lesson plans for the academic year. Participative learning group discussions, seminars, project work, field trips, surveys, Personality development programmes are carried out. Extension activities of NSS, NCC are scheduled in the calendar and executed accordingly. To enrich their knowledge and experience teachers are encouraged to participate in various Short term courses, Refresher courses, Orientation Programmes, Faculty Development Programmes conducted by UGC Human Resource Development Centres of various universities across India.
Examination and Evaluation	Regarding the Examination and Evaluation matters the sessional and test examinations are conducted by the examination cell of the college. The concerned head of the department has been given free hand to conduct the sessional examination of major subject by the examination cell due to a small

number of students. But for the general subject the sessional examination is conducted by the examination cell with support all the faculty members of the College. The College evaluates students through sessional examination processes. The final semester examinations are conducted by the affiliating university. Special tests are allowed for absentees on genuine grounds. The other tools of evaluating the students are class tests/surprise tests, student seminars, group discussions conducted by the departments. The marks obtained in the sessional tests are intimated to the students. The answer scripts are shown on demand so that the students can identify their mistakes and perk up their future performance.

Research and Development

Presently the scope for research and development in the college is limited. However, a Research and Development Cell has been constituted to take measures. The Research Committee looks into the formalities of applying for Minor Research Projects. The faculty is encouraged to engage in research work. Students of UG courses prepare project work in their final semesters which are generally related to curriculum as well as research studies

Library, ICT and Physical Infrastructure / Instrumentation

The college has been using customized software namely online College Automation software powered by S.S. technologies for Admission of students, fee collection, to keep results of students in the database and for maintaining the accounts of the office. The software SOUL 2.0 (Integrated Library Management System) 2.0 (Released) Current Version 2.0 is used in the library. Library resources, particularly procurement of Books and Journals are done every year subject to the availability of funds and requirements of different departments. Catalogue facility is provided using computers in the library. Bar coding system is also available.

Human Resource Management

The college authority takes all the initiatives for the all-round development of the human resources. Every possible measure has been taken by the College for the welfare of the students. Motivational sessions are also arranged for students of all the

streams. Job Training Programme are arranged for skilling students. Office staff is also consulted and discussion is held with them, listened to their grievances and all possible measures are taken within the limitations. The teaching faculties are recruited as per the UGC norms. Temporary or part time faculty members are appointed by the college as per the requirements of the department on a purely temporary basis. Teachers are encouraged to go for Orientation programmes, Refresher courses, Short term courses and to participate in seminars, workshops, conferences etc. Along with the teaching staff, the non teaching staff is also sent for professional development training. All faculty members are involved in different activities of the college. The institution sincerely works to prepare the students for their higher studies. The students are encouraged to participate in seminars, special lectures, extension activities of NSS and NCC, study trips etc.

Industry Interaction / Collaboration

North Gauhati College has an MOU with GNRC. It has a collaboration with Anundoram Borooah Institute of Language, Art and Culture (ABILAC) Centre, Assam and KKHSOU to facilitate the Internship by the students. The College has an Industrial Partnership with Eco Tourism Society of North East and Xavier Institute of Management Information Technology Guwahati, Assam. It has collaboration with Janakalyan Society Aaru Sangskritic Vidyalaya for doing cultural programme in local and outside Assam.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

1. Cultural heritage promotion: A festive celebration of the culture and customs of different ethnic tribes of the locality is being carried out in the College in an unique and colourful one day programme every year since 2021. North Guwahati, is located in Kamrup District of Assam and is blessed in abundance by mother Nature and the mighty Brahmaputra flowing by this quiet and peaceful region has lured people of different castes, religions and tribes in embracing this place as their permanent settlement centuries back. This heterogenous legacy is being celebrated every year since 2001 in the Tribal Cultural Festival, where the students of different cultural sects showcase their culture and tradition. Besides performing Bodo, Garo, Rabha, Tiwa dances and songs this conclave also tables events where dignitaries and researchers of different communities are invited for deliberation on pertinent aspects of culture and tradition. Cultural heritage is a gift to a society from the past. This type of ventures thus contribute in the preservation and promotion of the intangible memories, values, customs etc. of the past aiding in creation of stronger regional identities there by enriching the present generation. The first cultural meet was held on 21st Sep, 2001 under the presidentship of Dr. Bhrigu Mohan Goswami, the then Head of the department of Assamese, North Gauhati College, a noted litterateur from Assam who is specially acclaimed for his insights into the Ojapali art form of Assam. The secretary of the first Tribal Students Association was Aaiti Basumatary and Lila Bodo was the president of that forum. UNESCO defines cultural heritage as the legacy of the physical artefacts and intangible attributes of a group or society that are inherited from past generation, maintained in the present and bestowed for the benefit of the future. Adhering to this proposition, North Gauhati College fraternity takes pride and solace in accepting the responsibility of promoting and propagating a healthy cultural exchange among the students of this new generation. 2) Village adoption: North Gauhati College enjoys the advantage of having many tribal villages in its neighbourhood. Taking up this mission of social commitment on 8/8/2018 North Gauhati College adopted five tribal villages, namely Barbaka, Saru Baka, Manik Nagar, Rajaali and Barnijara. The first four villages are inhabited by people of Garo tribe and the fifth village is a village inhabited by Bodo community. Except Rajaali village all the other

villages are revenue villages. Immediately after adoption of the villages, bank accounts of 110 families were opened in Bank of India (BOI), Abhoypur Branch, which is adjacent to North Gauhati College. Awareness camps, cleanliness drives etc. are carried out by the active NSS wing of the College. A health awareness camps on Covid-19 preparedness was organised on 20/03/2020 in collaboration with North Guwahati Primary Health Centre and Baka Sub-Centre, Baka. On 09/04/20, 31 very poor families of the adopted villages were provided relief in the form of food items and clothing. The students of these villages take admission in North Gauhati College and come in close contact with the faculty of the College, thereby making the accessibility to the villages easier. The College aims to remain committed in this mission of working for the development of these tribal villages of the neighbourhood. By engaging in a culturally rich exchange, it is believed that values to the lives of the people will be added by facilitating inspiration in different forms needed to lead a healthy, meaningful and committed life.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Engaging in the service of academically and economically needy students of the locality The college welcomes students from neighbouring villages belonging to various ethnic communities and different religions. Students from these rich and diverse multi-ethnic settlements mingle and a healthy sharing and exchange happens in the College campus naturally. Students seeking admission to the Institution are in average academically below average students. The faculty of the Institution handles the challenge of mentoring these socially disadvantaged students by providing the needed care and guidance. Mentoring of academically poor students is an opportunity received in shaping of human resource of the nation. The College being situated in a multi-cultural, multi -ethnic locality endows these students with the opportunity of carrying out their projects and dissertations securing information and statistics from the ethnically diverse neighbouring villages. The prospect of getting donations from the CSR funds of the Industries and Companies of the neighbouring industrial belt is a boon for the Institution. Another advantage enjoyed by the Institution is the academic advantage of having premier National Institutions like IITG (Indian Institute of Technology, Guwahati), NLU (National Law University and Judicial Academy, Assam) and research institutes like ABILAC (Anundoram Barooah Institute of Language, Art and Culture) in the neighbourhood, which paves the way for receiving mentorship and other academic support by the Institution, thereby benefiting the student community of the Institution. Thus, prioritising the needs of these academically needy students the College has laid its thrust on building a positive academic environment by using of the resources available(ethnically diverse population, academic hand holding of premier institutions, CSR funding etc.) Embracing this vision of bridging the academic and economic divide existing in the society the College fraternity engages meaningfully by committing their effort with a missionary zeal for the upliftment and growth of the student community.
