## **STUDENT SATISFACTION SURVEY REPORT (2016-2017)**

**Overview:** As a way of assessing the teaching-learning procedures followed in the college and overall student experience during and after their tenure in the college, a questionnaire (as a Google form) was circulated amongst its former students who graduated during 2016-2021. While the questions were kept the same for each batch of students, the responses (total 196 responses recorded) were segregated according to year of graduation, and the Student Satisfaction Survey (SSS) report for each academic year was prepared. Here, we present the analysis report for 2016-2017 alongwith the questionnaire and overall response.

### **Analysis Report (2016-2017):**

The analysis of the responses to the questionnaire, received from the students who graduated in the session 2016-2017 revealed that, of the respondents, 63.33% were from the Arts stream and the remaining 36.66% were from the Science stream. The Male: Female ratio was found to be 9:5. 94% of the respondents expressed satisfaction with the teaching methods followed in the college. 90% of the respondents found it convenient and easy to procure and utilize library resources of the college. However, 30% of the students expressed dissatisfaction with the infrastructure and classroom facilities of the college. All the respondents, except one, found the faculty members of the college to be helpful and supportive. 82% of the respondents participated in the extracurricular activities conducted in the college. 94% of the respondents agreed that the transport facilities and connectivity to and from the college are convenient. 78% of the respondents said that given a chance, they are willing to pursue a course in the college once again, and 80% of the respondents said that they would recommend the college to others.
