STUDENT SATISFACTION SURVEY REPORT (2017-2018)

Overview: As a way of assessing the teaching-learning procedures followed in the college and overall student experience during and after their tenure in the college, a questionnaire (as a Google form) was circulated amongst its former students who graduated during 2016-2021. While the questions were kept the same for each batch of students, the responses (total 196 responses recorded) were segregated according to year of graduation, and the Student Satisfaction Survey (SSS) report for each academic year was prepared. Here, we present the analysis report for 2017-2018 alongwith the questionnaire and overall response.

Analysis Report (2017-2018):

Amongst the respondents for the 2017-2018 session, 46.6% were from the Arts stream, and 53.4% of were from the Science stream. The Male: Female ratio is 13:8. 95% of the respondents said that they were satisfied with the teaching-learning methods that the college follows. For 90% of the respondents, making use of the library resources was easy. 90% of the respondents were happy with the infrastructural facilities offered by college. Also, 90% of the respondents maintained that the teachers of the college are helpful and supportive. 86% of the students took part in the extra-curricular activities that were held in the college. All the respondents, that is a whopping 100%, stated that transport and communication facilities for commuting to and from the college is satisfactory. 76% said that they would be willing to pursue another course at the college, and 90% claimed that they would recommend the college to people wishing to pursue courses offered by the college.
