STUDENT SATISFACTION SURVEY REPORT (2018-2019)

Overview: As a way of assessing the teaching-learning procedures followed in the college and overall student experience during and after their tenure in the college, a questionnaire (as a Google form) was circulated amongst its former students who graduated during 2016-2021. While the questions were kept the same for each batch of students, the responses (total 196 responses recorded) were segregated according to year of graduation, and the Student Satisfaction Survey (SSS) report for each academic year was prepared. Here, we present the analysis report for 2018-2019 alongwith the questionnaire and overall response.

Analysis Report (2018-2019):

Amongst the respondent graduates of the session 2018-2019, 45% were from the Science stream and 55% from the Arts stream, and the Male:Female ratio is 3:5. 94% of the students expressed their satisfaction with the teaching-learning methods practised in the college. 88% faced little or no difficulty obtaining and making use of the resources made available in the college library. 82% of the respondents were content with the infrastructure facilities of the college. 91% of the respondents found the teachers of the college to be helpful and supportive. The participation of students in the various extracurricular activities of the college was found to be 87%. 82% stated that transport connectivity of the college is satisfactory. 76% said that they would be willing to pursue another course at the college, and 85% of the respondents said that they would recommend the college to people wishing to pursue courses offered by the college.
