STUDENT SATISFACTION SURVEY REPORT (2019-2020)

Overview: As a way of assessing the teaching-learning procedures followed in the college and overall student experience during and after their tenure in the college, a questionnaire (as a Google form) was circulated amongst its former students who graduated during 2016-2021. While the questions were kept the same for each batch of students, the responses (total 196 responses recorded) were segregated according to year of graduation, and the Student Satisfaction Survey (SSS) report for each academic year was prepared. Here, we present the analysis report for 2019-2020 alongwith the questionnaire and overall response.

Analysis Report (2019-2020):

In the session 2019-2020, the male:female ratio of the graduated students who responded to the questionnaire circulated by the college was 25:14. Of them, 61% of the students were from the Arts stream, 30% of them were from the Science stream, and the remaining 9% respondents were students who took up Vocational courses. 84% of the respondents were satisfied with the teaching learning methods adopted in the college. Also, 84% of the respondents found the library resources of the college to be adequate, and found the accessibility of these resources to be convenient. 74% felt that the infrastructure of the college to be good, and 79% stated that transport and communication facilities to and from the college is convenient. 92% of the respondents were of the opinion that the faculties of the college are helpful and supportive, 87% of the students participated in the various co-curricular activities in the college. 66% of the respondents said that given an opportunity, they would pursue another course in the college, and 82% said that they would also recommend the college to others who are seeking to pursue the courses that college offers.
