

## **Educational Trip of 4<sup>th</sup> Semester (Honours) to Jimiri Gaon, Assam on** **05/05/2022**

An educational trip was organized for the 4th-semester (Honours) students to Jimiri Gaon, Assam, on the 5th of May, 2022. The trip aimed to provide students with practical exposure to rural life, environmental studies, and community engagement, enriching their academic experience beyond the classroom.

Upon arrival, students were warmly welcomed by the residents of Jimiri Gaon. They engaged in interactive sessions with villagers, learning about their way of life, traditional practices, and socio-economic challenges. This firsthand experience enabled students to appreciate the cultural diversity and resilience of rural communities.

Guided nature walks were organized through the picturesque surroundings of Jimiri Gaon, allowing students to observe the rich biodiversity of the region. They learned about indigenous flora and fauna, ecological conservation efforts, and the importance of preserving natural habitats for future generations.
