

Plantation drive under Chief Minister's Institutional Plantation Programme on 19/07/2022

On the 19th of July 2022, a significant initiative under the Chief Minister's Institutional Plantation Programme unfolded, aiming to enhance green cover and promote environmental sustainability across the region. Suitable locations within institutional premises were identified for tree plantation, considering factors such as soil quality, sunlight exposure, and space availability. Native tree species, adapted to local climatic conditions and soil types, were chosen to ensure ecological compatibility and long-term sustainability.

Participants, comprising students and faculty members actively engaged in the plantation process. The plantation drive under the Chief Minister's Institutional Plantation Programme exemplifies a concerted effort towards environmental sustainability and community engagement.
