

Report on Workshop on Advanced Excel/GST/ITR
Organized by ICA Edu Skills, Jalukbari
**In Association with IQAC, Career Counselling Cell and Student Welfare & Self-
Empowerment Cell, North Gauhati College**

Date: 22.08.2025 (Friday), Time: 11 am onwards
Venue: RCC-02, North Gauhati College
Attendees: 71 Nos of students and 07 Nos of faculty

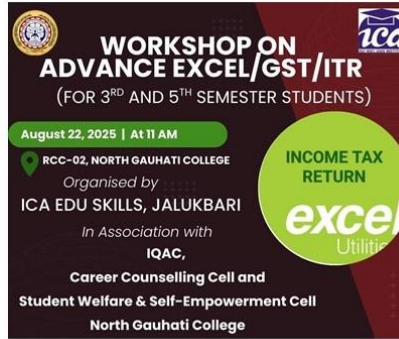

The workshop on "Advance Excel, GST & ITR" was successfully organized by ICA Edu Skills in collaboration with the Internal Quality Assurance Cell (IQAC), Career Counselling Cell and Student Welfare & Self-Empowerment Cell of North Gauhati College. The main objective of the workshop was to equip students and faculty with practical and essential skills in financial and tax management, which are crucial in today's professional landscape. The event aimed to bridge the gap between theoretical knowledge and practical application, thereby enhancing the employability of the students.

The workshop commenced with a welcome address by Dr. Sourav Kalita, IQAC Coordinator, who highlighted the significance of such practical skill-based training. The resource person(s) from ICA Edu Skills then took over the sessions, which were divided into three main parts:

- **Advance Excel:** This session focused on advanced functions, data analysis tools, pivot tables, and macros. Participants learned how to handle large datasets efficiently and create dynamic reports.
- **Goods and Services Tax (GST):** This part of the workshop provided a comprehensive overview of the GST framework in India. Topics included the basics of GST, tax slabs, GST registration, and the process of filing GST returns.
- **Income Tax Return (ITR):** The final session delved into the intricacies of filing Income Tax Returns. The resource person(s) explained the various types of ITR forms, how to calculate tax liability, and the step-by-step process of e-filing.

The sessions were highly interactive, with participants actively engaging in a Q&A session. The speakers used practical examples and case studies to make the concepts easy to understand.

The workshop was a huge success, with positive feedback from all participants. Many students expressed that the practical knowledge gained will be invaluable for their future careers. The collaboration with ICA Edu Skills was highly appreciated, as it provided a professional and industry-relevant learning experience. The event successfully achieved its objective of enhancing the skills of the attendees in a practical and meaningful way.
