

Event Report

“My Story: Motivational Expert Sessions by Successful Innovators & Entrepreneurs”

Date: 20th November, 2025

Venue: RCC-3 (Smart Classroom)

The Start-up Activity Unit, in collaboration with the Internal Quality Assurance Cell (IQAC) and the Institution Innovation Council (IIC) of North Gauhati College, successfully organized the event “My Story: Motivational Expert Sessions by Successful Innovators & Entrepreneurs” on 20th November, 2025 at the Smart Classroom (RCC-3) of the College.

The invited speaker, **Dr. Kangkon Saikia**, Managing Director & CEO of Zymolent Biosciences Private Limited, delivered an inspiring and insightful talk to an audience of 43 students from various Science departments, along with faculty members from multiple disciplines.

Dr. Saikia narrated his remarkable journey from the inception of an idea during his Ph.D. tenure to the establishment of a successful biotechnology company. He elaborated on the processes through which his team secured funding from reputed agencies such as NRL and IIT Guwahati, shared insights about their client base, and discussed future plans for expansion. One of the highlights of the session was his detailed explanation of the scientific principles and technological processes involved in developing their enzyme products, which greatly engaged the students.

The session was further enriched by the participation of his team members, Dr. Bonita Talukdar and Dr. Risha Hazarika, who shared their professional experiences and encouraged students to pursue their own innovative ideas. They also assured continued support to students interested in start-up ventures and entrepreneurship.

The programme was anchored by Dr. Gautam Saikia, Coordinator, Start-up Activity Unit. The Vote of Thanks was delivered by Dr. Mitali Chetia, Coordinator, IIC. The event received valuable support and coordination from Dr. Shikha S Kashyap, President, IIC and Dr. Himadri Borah, Assistant Coordinator, IIC, as well as from the IQAC of North Gauhati College.

The session proved highly motivational and informative, offering students a firsthand understanding of entrepreneurship, innovation, and translational science.
