expected to be over soon. All parties expressed confidence in Modi's leadership, he added.

A resolution passed at the meeting said the NDA government will continue working to lift people's living standards for the country's all-round development while conserving its heritage.

"We are all proud that the NDA fought the 2024 Lok Sabha polls unitedly under the leadership of Prime Minister Narendra Modi and won. We all NDA leaders unanimously elect Narendra Modi as our leader," it added.

The resolution also said that people have seen the country being developed in every sector in the last 10 years due to the pro-people policies of the NDA government under Modi.

The NDA has won 293 seats in the Lok Sabha election, comfortably above the majority mark of 272 in the 543-member House, paving the way for Modi to take the oath for a third consecutive term, a first for any ruling alliance since 1962.

However, it will be a different act for him this time as the BJP has fallen well short of the majority and depends on allies for the government formation after enjoying a comfortable majority on its own in the previous two terms of his government. - PTI
